## 2. Adoption of Minutes – Bill Meier

The 2013 Annual Meeting minutes (as posted on the NE-LMSC website) were unanimously adopted after being moved and seconded.

## 3. Adoption of Treasurers Report – Al Prescott

- Al reported that in 2013 we had more income than expenses, which were all lower than budgeted. There was a surplus of \$4,244.
- The main bank account has \$40,955.45.
- The Hall of Fame account has \$2,167.75.
- For 2014 there were two modifications, for ASCA certification (\$12,000) and for open-water swimming support (\$9,000).
- For 2014 we are at 76% of expected total income and at 11% of expected expenses.
- The NE-LMSC received a \$5,000 grant the 2014 Swimming Saves Lives program, of which \$1,600 remains.
- The Treasurer's report was unanimously adopted after being moved and seconded, a copy of which is attached.

## 4. Reports, as necessary, from Officers and Committees

- Registrar – Douglas Sayles
  - Doug reported that the NE-LMSC had 2,276 members as of 5/31/2014 versus 2,204 on the same date in 2013. He circulated a handout showing registration statistics, including overall membership numbers, demographics, # of Recognized and self-identified coaches, and club-affiliation totals.
  - A copy of the Registrar's report is attached.
- Top Ten Recorder – Laszlo Eger
  - Laszlo reported that Jason Eaddy will handle LCM as well as SCM reporting.
  - Pool measurements are a big problem. If pool length at a sanctioned meet is not certified, times do not count towards Top Ten.
  - The number of sanctioned reported meets was 25 SCY (10 from Maine), 5 SCM, and 2 LCM. These meets totaled 2200-2300 swims.
  - Laszlo requested that NE-LMSC members talk to meet directors about certifying pool lengths and submitting results quickly.
  - Pools with bulkheads must be measured before and after the meet and must meet standards both times to be certified.
  - Swimmers must be USMS-registered before they make a qualifying swim.
- Officials Chair – Bill Ewan
  - Bill reported that changes were made to the breaststroke touch, which required him to notify officials.
  - Bill had to find officials for a meet that was having trouble.

- A safety concern was raised about feet-first entries not being enforced by officials. A plea should be made to coaches to remind their swimmers of the feet-first rule.
- Communications Chair – Jessica Stokes
  - Jess reported that the communications chair position requires gathering of information for the monthly Upcoming Events e-newsletter. This e-newsletter is the one place all events are posted for the entire LMSC.
  - Jess will be stepping down in the fall.
  - A clarification was made – As the NEM president, Laszlo sends out NEM info only; as the NE-LMSC communications chair Jess sends out upcoming events info for the entire LMSC.
  - Jess circulated an email tracking report for the Upcoming Events e-newsletters from 11/1/2012 through 6/2/2014, a copy of which is attached.
- Open Water Sanctions Chair – Meg Stolt
  - Meg is the new open water chair and is creating a step-by-step instruction manual for the position.
  - There has been one open-water sanction request year-to-date.
- Chair – Crystie McGrail
  - Crystie proposed a series of half-day workshop for coaches in several locations in the NE LMSC to meet and discuss coaching issues.
  - She asked for an \$800 per event stipend for the first three workshops.
  - After some discussion, the proposal was moved, seconded, and unanimously accepted.
- Secretary – Carol Yunker
  - Nothing to report
- Meet Sanctions – Mindy Williams
  - Mindy reported that meet directors seeking sanctioning for the first time generally require a lot of handholding. The biggest hurdle is the pool length certification process.

## 5. Unfinished Business – None

6. Athlete Awards – High Point Awards for the 2014 NE-LMSC SCY Championships

- Presentation of High Point Awards for each gender in each age group

7. New Business

- Should the registrar be compensated for service to the LMSC?
  - Bill Ewan reported on his research into if and how other large, complex LMSCs compensate their registrars. His report is attached.
  - After discussion about how important the registrar position is to the NE LMSC, the workload of this versus other positions, and debate over the precedent of paying board members, a motion was made to pay the NE-LMSC registrar \$1.00 per member.
  - Subsequent discussion led to the motion being modified to \$50/week or \$200 month. All but two (excluding the registrar, who abstained) voted for the motion as amended, and it passed.
- Discuss additions to the bylaws:
  - Addition of a Para-Athlete Chair position
    - Motion was made to add a Para-Athlete position to the Board. After being seconded, the motion passed unanimously.
    - Laura Denison was proposed. Laura submitted a letter in absentia. It was motioned, seconded, and unanimously accepted that Laura be named the Para-Athlete Chair.

- Voting procedure for Volunteer and Coach of the Year Awards. Consider other awards.
  - See Section 8 “Volunteers and Coaches Awards” below.
- 2015 Long Course Meters Meet – Should we have it and, if so, where? Subsidized?
  - It was proposed that we place more emphasis on establishing LCM mini-meets in 2015 and work on generating more enthusiasm for a NE-LMSC LCM championship in the future.
  - Bill Ewan moved that a committee be formed to investigate LCM mini-meets. The motion was seconded and adopted. Guy Davis was appointed to head up the investigation with assistance from Sarah Dombrowski and Carol Yunker.
  - Some of the 50-meter facilities we know of so far are Middlebury College in Middlebury, VT; Jenny Thompson Pool in Dover, NH; Beverly Y in MA; MIT and Harvard in MA, Brown University in Providence, RI; and Springfield College in western MA.
  - A \$3000 subsidy fund was proposed for the 2015 summer season to help meet directors. After some discussion, the motion was made, seconded, and unanimously accepted.
- Discuss the NE-LMSC Hall of Fame
  - Al noted that the Hall of Fame Chair position is currently vacant.
  - Rick proposed that the Hall of Fame Chair position fall under the auspices of the Awards Chair (a position we currently do not have).
  - The Hall of Fame website is separate from the NE-LMSC website. It was proposed that we incorporate the Hall of Fame site into the NE-LMSC site.
  - A motion was made to create an Awards Chair and move the Hall of Fame Chair under that position. That motion was seconded and unanimously adopted. At the February meeting the Board will bring suggestions for this new chair position.
- USMS Conference Delegate selection
  - The convention this year is in Jacksonville, FL during the third weekend of September. We have 6 regular delegates and 1 at large position to fill. Chair Bill Meier gave first choice to people present at the meeting who were interested in going.
  - The NE-LMSC delegates were identified as Bill Meier, Crystie McGrail, Carol Yunker, Meg Stolt, Doug Sayles, and Sue Jensen. Either Guy Davis or Mindy Williams was to be the delegate at large. [Mindy ultimately became the at-large delegate and, due to conflicts, Tim Lecrone and Guy Davis subsequently replaced Meg and Crystie as delegates.]

## 8. Volunteer and Coaches Awards

- The Volunteer of the Year was awarded to Sue Jensen for her outstanding work with the Swimming Saves Lives initiative.
- There were two Coach of the Year Awards:
  - One was awarded to Great Bay Masters Coach Crystie McGrail for her enthusiasm and hard work.
  - One was awarded to SwimRI Coach Frank McQuiggan (in absentia) for his 35 years of Masters swimming volunteerism and for spearheading SwimRI's points-competition victory at the 2014 NE-LMSC SCY Championships. Frank is moving to Florida. He will be missed.
- Suggested protocols for future service-award nominations were discussed, including timelines and that the general membership submit nominations through the website with appropriate supporting documentation.

## 9. Resolutions and Orders

- There was a general discussion reaffirming that, per NE-LMSC bylaws, all officer positions will be up for election at the 2015 annual meeting, a nominating committee is needed, and nominations should be made by June 1<sup>st</sup>.
- Doug suggested that, as a means to encourage more sanctioned events, the NE LMSC subsidize 100 percent of the \$1,000-per-event USMS open-water sanction fee. A motion was made, seconded and approved.
- There was discussion of putting money in the FY2015 budget for a potential celebrity speaking engagement.
  - Bill Meier raised the idea of soliciting a motivational speaker, such as former Olympian and World Record Holder Aaron Peirsol, for a New England event. Doug mentioned that he had considered reaching out to Peirsol (whom the NE-LMSC delegation met at the 2012 USAS/USMS convention) about being a celebrity speaker at an open-water event in Rhode Island, but noted that the host organization could not cover what would likely be an expensive speaker fee. Discussion ensued about the LMSC subsidizing some of the cost.
  - *It is unclear from meeting notes and board-member recollections whether there was a formal resolution on this matter. However, it is a moot point because the celebrity speaker initiative described above has not been pursued.*

\*Adopt 2015 budget after discussion of all related items.

- A motion was made to approve the FY2015 budget in the form discussed and tweaked by NE-LMSC members present. The motion was seconded and approved.

## 10. Adjournment

- Following comments that this was the largest and most non-controversial annual meeting in recent memory, a motion to adjourn was made, seconded, and unanimously approved at 5:35PM.

**NELMSC Registrar Pay Question-Bill Ewan, NELMSC Officials Chair June 8, 2014**

Earlier this year I asked leaders of the few LMSCs, similar in size to ours, whether they paid their Registrars and what the payments were.

First of all, the responses did not take into account any new ways that USMS is registering swimmers (taking the registration process in-house) and possibly altering the work load of LMSC registrars.

The following LMSCs responded:

1. Colorado does not compensate their Registrar (1560 members).
2. Pacific Northwest offered their Registrar \$.50 per registration. But he refused, except for office supplies and a printer (\$175) (1660 members).
3. New England paid a non-registrar person \$2 per paper registration when Tracy was Registrar (3000 members).
4. Potomac Valley pays their registrar \$2.50 per swimmer (regardless of registration format) along with all office supplies (3000 members).
5. Metropolitan pays \$100 per month (\$1200 yearly) for database maintenance and \$2 per member registration (paper or paperless) each year, along with all office supplies (~\$600) (3000 members).
6. Pacific Masters has a twenty-year history of compensating their Registrar. She also did Top 10 and Records. She retired last year. [Her replacement is called "Pacific Masters Office Administrator." This person is a contractor and is paid at an hourly rate of \$25 which is expected to increase to \$27 shortly. Responsibilities include all registrar functions, Top 10, Records, a video library, and light bookkeeping and anything else that improves the function of the PMLMSC.] (3000 members).

This is the best guidance we currently have as to how other comparable sized LMSCs are compensating their Registrars.

Clearly LMSCs similar in size to New England actively compensate their Registrars or a person who performs the registrar duties.

Our goal, given this information, is to discuss and decide how we will proceed.
